It was represented by me that the Dy: Com[r]. might naturally depend upon the Amildars for getting the information about the gross earnings of the Institutions which accounts for the delay; but that for the purpose of framing the Mcy Rate Fd. at present, we can work out the averages of 5 or 6 years' balances of Mun: Institutions which are ready at hand now and are being printed. Such averages can be worked out in a couple of months by the special Clerk on Rs 50 sanct: in the H.O. of Gs. April 1926, and can serve our present purpose for a period of 2 or 3 years for the present. The gross earnings of the institutions can be worked out later on & the contributions of the Fund

27 The Member was pleased to enquire also whether the auditors sanctd in the G.O.[x] of 2[nd] Apl 26 were appointed; & represented that there was no report from the Mng Comr in that respect — Except that, in Conn with his recommendation for a personal allowce of Rs 20 to Mr V. Subbarao, the Comr had said that he intended appointing him as an auditor. It is however unofficially ascertained that the auditors have not been appointed yet, and that the Secty of Instructions to regulate their work is being attended to. Early

28 The Member wanted me to put up a draft on the lines of para 26 and also enquire when the auditors will be appd & the instns for their guidance expected.

35) As delay has been caused by the non receipt of information regarding gross income, it is proposed in para 26 of the Secretariat File that we may make a beginning and work out Contributions ~~on the~~ as a percentage basis of average balance at the credit of institutions during the last 5 or 6 years which are readily available now. The percentage ~~of~~ on balance or average balance will widely differ from the percentage on gross income annual ~~or est~~ which has been accepted by Govt. 46) I do not understand why the ~~Revenue~~ muzrai Commissioner called for statements from Districts at all. As observed by the Comptroller, the percentage calculation should be made upon the gro revenues of the institutions and information in respect of such revenue is available in the statements prepared by Mr. Mrityunjaya Iyer. We may now ask the Muzrai Commissioner to have prepared a statement of the contributions payable by the institutions on the following lines:-

(1) For each major and minor institution the gross income for this purpose may be taken at the average of the three years' income for which actuals are now available in the statements prepared by Mr. Mrityunjaya Iyer.

(2) Contributions at the rate of 5 per cent in the case of major institutions and 3/5 per cent in the case of minor institutions may be calculated on the average income referred to under (1).

(3) The annual contributions fixed according to (2) may be in force for a period of three years from 1926-27.

(4) The statement of contributions to the Muzrai Establishment Fund prepared as above may, if necessary, be compared with statements received from Districts and if the comparison discloses any wide variations, ~~such~~ cases of such differences may be dealt with according to the financial conditions of each institution.

Revenue Department.

Sir,

Adverting to correspondence ending with your letter 340/245-25 dated 18th August 1926 calling for statement of contributions payable by major and minor institutions for the formation of the Muzrai Establishment Fund, I have the honor to state that immediately on receipt of Government Orders dated 6th April 1926 the Deputy Commissioners of Districts were requested to send up the statements in a prescribed form without delay so as to facilite the submission of the same to Government within the time limit fixed by them. The statements of major institutions with the required information were received from the several Districts as noted in the margin after issue of reminders - Information in respect of minor institutions has so far been received only from 3 Districts, viz., Tumkur, Mysore and Chitaldrug. The other Deputy Commissioners have been reminded semi-officially again to-day. Even the statements now received in respect of both the classes of institution are defective and some further intermediate correspondence with the Deputy Commissioners concerned is necessary before they could be cast in their final form. As matters stand at present, I hope to be able to furnish final statements of major institutions not later than the 15th October and those relating to minor Institutions ---

2. In this connection, I beg to state that the temporary clerk on Rs.50/- per mensem sanctioned in para 1 of Government Order No. 1285-6/M.F.245-25-2 dated 9th April 1926 was not entertained, as apparently he would have had no work in the initial stages, more particularly till the receipt of detailed information from the -- Deputy Commissioners. Now that the information in respect of major Institutions is almost complete except in a few cases, they have to be consolidated and final statements prepared. Besides information in respect of minor Institutions has also to be obtained expeditiously by constantly reminding the Deputy Commissioners, tabulated and final statements prepared without giving room for further delay. To do all this, the services of a full-time clerk are necessary and I request therefore that sanction conveyed in the Government Order of the 9th April 1926 may kindly be renewed. In view of the --- importance and urgency of the matter, I shall in anticipation of -- Government approval entertain a clerk on Rs.50/- a month with.--- effect from the 25th instant as work for him is now ready and beg that my action may be approved.

Draft set of rules and instructions for regulating the work of Auditors are under consideration and will be submitted for ---- Government approval very early, after obtaining the views of the --- Comptroller to Government about their suitability.

I have the honor to be,

Sir,

Your most obedient servant,
